ABOUT THE CONFERENCE
NCFCSPS aims at providing a platform for students, faculty members, industry people and research scholars to sharpen their ideas and knowledge to compete globally. This Conference invites the students, academicians and research scholars to present their technical papers.

ABOUT THE INSTITUTION
Adhiyamaan College of Engineering is one of the educational institutions developed by AERI trust, which was established in the academic year 1987-1988 to cater to the needs of the nation in the developments of technologies and to provide facilities for educating and training men and women to meet entrepreneurial and management needs. The management has created adequate infrastructural facilities and earmarked sufficient funds for developing the institution for higher education and to excel in research.

ABOUT THE DEPARTMENT
Department of Electronics and Communication Engineering was established in the year 1991-1992. It offers UG programme B.E-ECE with an intake of 240 students, PG programme M.E-Communication Systems with an intake of 24 students and M.E-VLSI Design with an intake of 18 students. The department has state-of-the-art laboratory facilities to infuse practical knowledge to the students on par with academic excellence.

TOPICS OF INTEREST
The topic of interests include, but are not limited to,
Wireless Communication
Mobile Communication
Optical and Microwave Communication
Co-operative Communication
Ultra Wideband Systems
Network Security
Software Defined Radio
Cognitive Radio
Signal and Image Processing
Document Image Processing
VLSI Signal Processing
Statistical Signal Processing
Bio Signal Processing
Computer Vision
Machine Learning
Embedded DSP Systems
and any other relevant topics...

JOURNAL PUBLICATION
The registered papers will be published in International Journal of Innovative Research in Science, Engineering and Technology.
Fees for Journal Publication: Rs.600

IMPORTANT DATES
Submission of full paper: 22.02.2019
